To Meet the Dietary Guidelines for Americans, choose a diet with most of the calories from grain products, vegetables, fruits, lowfat milk products, lean meats, fish, poultry and dry beans. Choose fewer calories from fats and sweets. Healthful diets help children grow, develop, and do well in school. They enable people of all ages to work productively and feel their best. Dining is a social grace - Thank you for being our guest. If a student lunch is broken, a la carte prices must be charged.
