The CAC serves as a channel for feedback, advice and information on matters affecting the school district; provides a forum whereby the Board of Education or members of the Superintendent's Office may discuss pending policy, budget, management, and instructional issues for comment by the CAC prior to determination; and provides a vehicle through which information can be shared with the community. In addition, the Board of Education may task the CAC to prepare written or oral reports relating to various topics of concern.

III. Delegation of Authority

- A. The Superintendent is directed to develop administrative procedures to implement this policy in accordance with all local policies and local, state, and federal laws and regulations and to communicate this policy and accompanying procedures to all relevant parties.

IV. Exception

- A. There are no exceptions to this policy. However, the Board, by majority vote, may temporarily suspend all or part of this policy.
